Dear Mr. Heyen:

Amended Petition Received

Please be advised that the Recall Petition submitted by you on January 16, 2009, is hereby declared “insufficient” for the following reason:

- Pursuant to the City of Hondo Charter, Section 6.07 – Power of Recall – “one of the signers of each petition paper shall make an affidavit that the statements made therein are true”.

Therefore, according to Paul Miles of the Secretary of State’s Office and Melissa Killen, Hondo City Attorney, the original petition is hereby being returned to you for amendment purposes. Mr. Miles also stated that the petition papers which already contain the circulators name and signature at the top and in the affidavit do not need to be amended.

Please be advised that your deadline to submit the amended petition is February 5, 2009.

Should you have any questions or require additional information, I may be contacted at (830) 426-3378 during normal working hours, which are Monday through Friday between 8:00 a.m. and 5:00 p.m.

Sincerely,
