

Somebody

Wanted

But

So

Ex: Oedipus

To determine King Laius' killer and rid Thebes of the plague.

Oedipus was the murderer and source of the plague.

Oedipus needed to open his mind and accept the truth before the city could be saved.

*Instructions: Complete the following for **all** the characters in the assigned reading section. On the back, pick an important or confusing quote and explain why it is significant or what made it hard to figure out. Remember to include the page number.*
